

*A Prayer for When You Do Not Know What to Pray*

*Lord God, I am at a loss for words. I'm not sure how to pray for this difficult situation, but I know you promise that you hear our prayers, so I want to try praying now. Please be our comfort, our support, our strength and our shield. Please help us overcome all that the enemy tries to throw our way. Help us depend on your and find great joy and peace from your presence. Thank you for always loving us and never leaving us. In Jesus' Name, Amen!*
